

APPEAL FOR PATRONS AND SPONSORS

Dumfries and Galloway Youth Orchestra (DGYO) welcomes all young players of orchestral instruments who live, work or study in Dumfries and Galloway and offers opportunities for all levels of experience. It is free to join and provides young players with a wonderful opportunity to learn in a way that motivates, inspires and encourages them.

Dumfries and Galloway Youth Orchestra relies on the generosity of supporters to enable it to continue to operate. Without such generosity DGYO would be unable to continue which would be a great loss for the young players who get such enjoyment from it. Not only that but a musical education, such as DGYO helps to provide, develops and enhances so many of the attributes that everyone needs in life such as listening skills, teamwork, analytical skills, creativity and communication. Visit our website at www.dgyouthorchestra.org for more information about what we do.

We should therefore be very grateful if you would consider becoming a Patron (individual) or a Sponsor (corporate) of the orchestra. For a donation of £100 or more each year, you would receive:

- Invitations to short concerts which are put on regularly throughout the year by the orchestra
- Invitations to occasional social events;
- With your permission, recognition of your support on our website.

If you are willing to help in this way please complete the section below and return with a cheque (payable to the Dumfries & Galloway Youth Orchestra) to our Treasurer: Dr Peter Hutchison, 50 Albert Road, Dumfries DG2 9DL. Alternatively please make a BACS payment to Dumfries & Galloway Youth Orchestra Sort Code: 80-22-60; Account No: 18275769.
